Swingle Lawn, Tree & Landscape Care earns coveted Angie's List Super Service Award

Award reflects company's consistently high level of customer satisfaction

Denver CO – Swingle Lawn, Tree & Landscape Care has been awarded the prestigious and difficult-to-attain 2007 Angie's List Super Service Award.

This exclusive recognition is awarded at the beginning of each year to companies who have achieved and maintained a superior service rating on Angie's List throughout the past year. Fewer than 5 percent of the companies on Angie's List meet the eligibility requirements to be considered for the award.

"Angie's Super Service Award winners are the cream of the crop when it comes to customer service," said Angie Hicks, founder of Angie's List. "To help our members easily find these exceptional service companies, we've added Super Service Award logos to each of the winning company names on AngiesList.com. Our members tell us they love that additional bit of information."

Angie's List Super Service Award winners have maintained an "A" rating overall; have received a minimum number of reports; are NOT in the Angie's List "Penalty Box," and do NOT have an unsatisfactory rating with the Better Business Bureau.

"We are very proud to have received the Super Service Award and the recognition for being one of Angie's List top customer service companies," said Thomas Tolkacz, President of Swingle. "From the moment a customer calls Swingle, our entire team is dedicated to providing the best customer service experience possible. We've been in the business of building brand loyalty in Colorado for over 61 years and I believe our success also comes from the quality of services we deliver and our 100% guarantee for complete and total customer satisfaction."
